# Studijų pakopos, laipsniai

## Bachelor

**Bachelor Degree** (BA, BSc, BSEng) - First academic degree.

6-8 semester programme, 3 to 4 years, awarding 180 up to 240 ECTS Credits.

## Master

**Master Degree** (MA, MSc, MEng) – Second academic degree.

2-4 semester programme, 1 to 2 years, awarding 60 up to 120 ECTS Credits.

## Doctorate/ Promotion

**PhD Degree** – Third academic degree.

4-10 semester programme, with a research work (dissertation), concluded with a doctorate.

## State Exam/ Staatsexamen

Some degree programmes lead to a state examination ⓘ. This means that the final examination is organised and given by a government board. If you want to work as a medical doctor, lawyer, teacher or pharmacist in Germany, you will need a state examination.

### Special features:

- Theoretical degree programme concludes with the first state examination
- This is followed by a practical training phase that ends with the second state examination

**TIP:** International students should urgently clarify beforehand whether this degree is recognised in their home country. The DAAD degree programme search lets you explore subjects that lead to a state examination.
